Describe 1 challenge your class faced when performing together.

Some of us were not focused during the program

Teamwork some people were going fast and some people were going slow.

some people in the group got the rhythm patterns mixed up

How did your class overcome the challenge mentioned above?

we never gave up

Practice more

Listening and paying attention

Work together and communicate

We decided a leader

Interaction with counsellors

1. an introduction to our school counsellor and SEN Officer
2. it is ok to seek help
3. how to look out for classmates who needs help

ICT induction and iSEP enrichment

1. log in to school-based accounts
2. Equip students with ICT and collaboration skills

Collaboration with parents

- Partner with us to manage our Crestians based on the school rules and regulations stated in the Crestian's Handbook.
- For eg: School policies related to handphone usage
 - Confiscation of device for a week for first offence
 - Confiscation of device for a month for repeated offences
 - Unless teacher's permission is granted, students cannot use their devices during curriculum and CCA hours.Students can use their mobile phones only in designated places (eg: canteen).

Multidisciplinary Support

- Managing their environment is key, not a single approach
- Assess their problems properly (Understand adolescence, right situation, right person, right questions)
- Anticipate issues (eg: smoking, risky behaviour, use of technology, healthy self and body image)
